

**2016 Voter Campaign for Community Control Over Police
COMMUNITY SURVEY**

1. On a scale of 1 - 10 (10 being the best), how would you rate interactions you've had with the police?

2. Have you witnessed police brutality/harassment in your community?

3. On a scale of 1 - 10 (10 being the most), how much do you trust the police?

4. Do you feel like the police protect you in your neighborhood?

5. Do you think there needs to be more accountability in the police's use of power/authority?

6. Have you had contact with and/or are you familiar with the civilian complaint review board?

7. (Do you find the civilian complaint review board to be effective?)

8. Would you like to have more involvement in how the police interact with your neighborhood/community?

9. Do you know what police precinct you live in? If yes, which one?

10. Would you support a voter referendum to create community control over the police?

If you would care to, please tell us what improvements YOU would like to make in your police precinct and/or to the police in general?
